CORE VALUES

Our credibility comes from serving customers with the utmost care, the highest standards, cost-effective and tailored services
Trust, commitment, and working effectively in a timely manner
Reliable performance and resolutions

We understand that business success starts with people.

Also we've consulted hundreds of businesses of all types and almost all industries, applying the required standards to each, so we can genuinely benchmark the business performance.

We've also trained thousands of individuals who practices them at their professional work life and know we can take you from beginner to Management System expert quickly –wherever you are on your learning journey, we can tailor training to you and your business.

*Move forward with
excellence*

Our Services

COACHING- Focused on Business Optimizations and Improvement Principles

CONSULTING- Focused on helping Organizations towards their journey of deploying Best Practices for Business Excellence

CERTIFICATION- Focused towards helping Organizations towards expanding global markets

WHAT IS ISO CERTIFICATION?

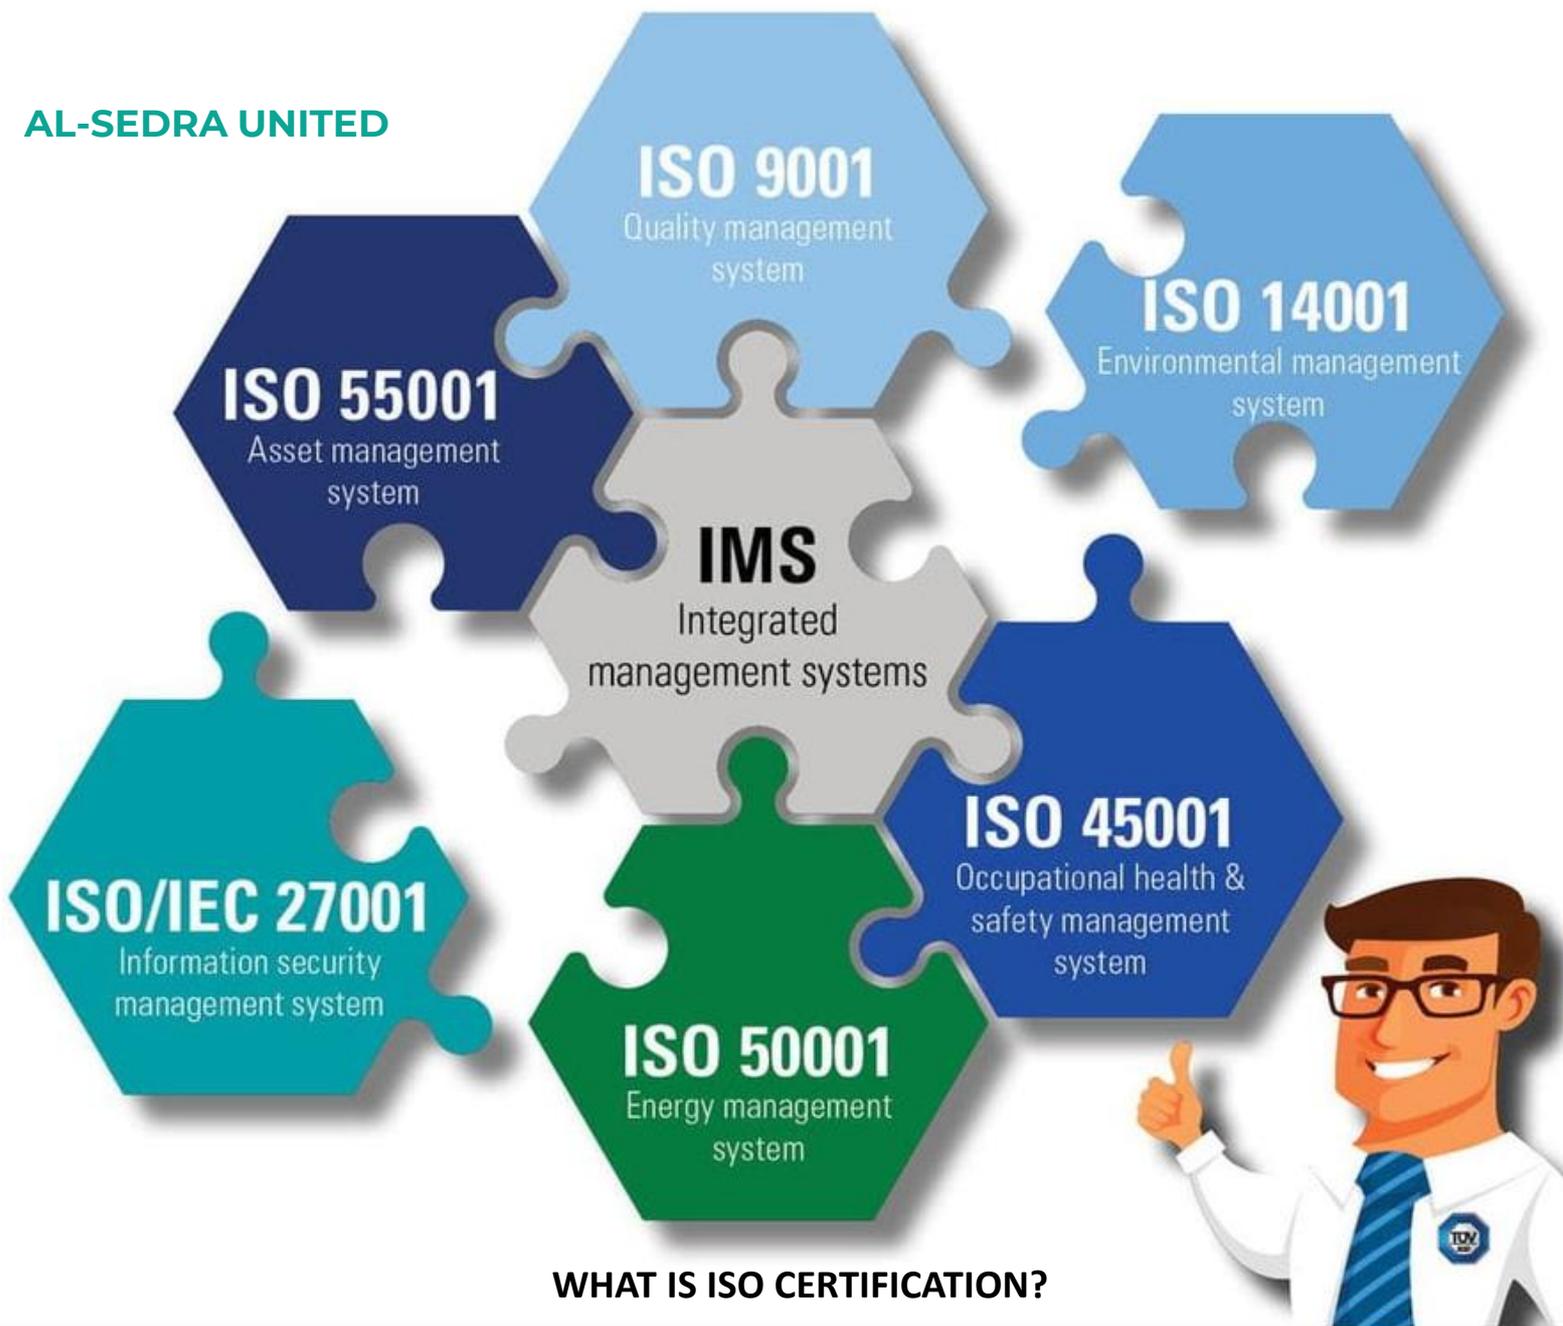

ISO Certification is proof from a third party that your management system complies with one of the internationally recognized ISO standards.

Each ISO Certification will bring your organization, clients, and team their own unique benefits. Common benefits across all ISO Standards include:

- Widened market potential.
- Compliance with tenders
- Improved efficiency and costs
- Higher levels of customer service and satisfaction
- Heightened staff morale, motivation, and engagement

WHY ISO QUALITY SERVICES?

Our team specializes in supporting worldwide ISO Certification needs and offers a simple, cost-effective service with flexible payment terms. We pride ourselves on keeping it simple and can support you through the entire process, from finding the right standard to initial assessment and beyond. We even offer ISO training and ISO consultancy services to help you maximize the benefits ISO certification will bring. Our passion is to inspire organizational improvement and efficiency by providing unparalleled support. We allow our customers to put ISO at the heart of what they do.

AL-SEDRA UNITED

ISO Certification Consulting

As business pressures intensify, one thing is clear: Success will demand not only new skills and strategies but also new standardization perspectives on how to build a strong business. This is the “smart-business” difference

Al Sedra United has a 100% certification record in working with companies implementing Management Systems since many years. But that is not just what we do

Our expert teams work with organizations of all sizes and every type of activity - from leading multinationals to small, innovative start-ups with a proven record in not just achieved certification for our client’s management systems but in going further to establish a ‘Lean Business Management System’ that is working for the business, tailored to the business and benefiting the business
